People who fall within this category that triggered an original sentence are included within this provision.

2. Within 60 days of the passage of this Act, the Attorney General shall develop and distribute a one-page application, providing for the destruction of all cannabis hemp marijuana criminal records in California for any such offense covered by this Act. Such forms shall be distributed to district and city attorneys and made available at all police departments in the State to persons hereby affected. Upon the Court's ruling under this provision the arrest record shall be set aside and be destroyed. Such persons may then truthfully state that they have never been arrested or convicted of any cannabis hemp marijuana related offense which is hereby no longer illegal in the State of California. This shall be deemed to be a finding of factual innocence under California Penal Code Section 851.8 et seq.

III. The legislature is authorized upon thorough investigation, to enact legislation using reasonable standards to:

1. License concessionary establishments to distribute cannabis hemp euphoric products in a manner analogous to California's wine industry model. Sufficient community outlets shall be licensed to provide reasonable commercial access to persons of legal age, so as to discourage and prevent the misuse of, and illicit traffic in, such products. Any license or permit fee required by the State for commercial production, distribution or use shall not exceed \$1,000.00.
2. Place an excise tax on commercial sale of cannabis hemp euphoric products, analogous to California's wine industry model, so long as no excise tax or combination of excise taxes shall exceed \$10.00 per ounce.

4. Regulate the personal use of cannabis hemp euphoric products in enclosed and/or restricted public places.

IV. Pursuant to the Ninth and Tenth Amendments to the Constitution of the United States, the people of California hereby repudiate and challenge Federal cannabis hemp marijuana prohibitions that conflict with this Act.

V. Severability: If any provision of this Act, or the application of any such provision to any person or circumstance, shall be held invalid by any court, the remainder of this Act, to the extent it can be given effect, or the application of such provisions to persons or circumstances other than those as to which it is held invalid, shall not be affected thereby, and to this end the provisions of this Act are severable.

VI. Construction: If any rival or conflicting initiative regulating any matter addressed by this act receives the higher affirmative vote, then all non-conflicting parts shall become operative.

VII. Purpose of Act: This Act is an exercise of the police powers of the State for the protection of the safety, welfare, health, and peace of the people and the environment of the State, to protect the industrial and medicinal uses of cannabis hemp, to eliminate the unlicensed and unlawful cultivation, selling, and dispensing of cannabis hemp; and to encourage temperance in the consumption of cannabis hemp euphoric products. It is hereby declared that the subject matter of this Act involves, in the highest degree, the ecological, economic, social, and moral well-being and safety of the State and of all its people. All provisions of this Act shall be liberally construed for the accomplishment of these purposes: to respect human rights, to promote tolerance, and to end cannabis hemp prohibition.
